“A Ministry in Association with  
“United Methodist Volunteers  
in Mission, SEJ”

March 2009

Dear Friends and Partners,

It is hard to believe that we are already into March of 2009. Last December we shared with you about the Children’s Ministry and our Bible Memory Class. We have added several pictures of the ministry to our web site that we hope you enjoy.

I have asked the children to memorize the Book of James. We will be working on several verses and memorize them in sections. It is a tall order and will probably take several months, but I believe in my heart that the children will do the work necessary to win their rewards. Pray for them as they commit James to their hearts.

At this time, I have several ministry needs to advance the work with the children:

Word Processor  
Printer plus extra cartridges  
Printing paper  
Solar Panel & Battery  
Soccer balls for boy prizes  
Funds for dresses/shoes for girl’s prizes  
Salary money for the children worker’s

Our greatest need is prayer for the children as they ‘hide the Word of God’ in their hearts, that it will bear much fruit and ‘not return void’. Please, pray for the future teachers who will be going out into the villages each week.

We are translating the lessons into Otetela. I would like to have 30 lessons ready by the time our teachers are trained. At this time, I only have one young man in mind as a teacher. Ask the Lord to show us His other choices.

In Matthew 6, Jesus teaches us on giving, praying and fasting. Some of you give and some of you pray. We hope that you pray for the children, the children’s workers, the men on the work line, the pastor school students, the pastor school professor’s, the nurses in the mission dispensary, our superintendents, church leadership, Bishop David Yemba and his wife Mama Henriette, Pastor Kitambala, Paul’s right hand man and for Paul and me that we will be **ALL** that He would have us be? Have you ever thought of fasting for the needs mentioned above? Would you consider giving up a meal or a day of meals for the work in Central Congo?

James 5:16b says that “The prayer of a righteous man is powerful and effective.” What wonderful things we could accomplish if we lived according to Matthew 6- giving, praying and fasting.

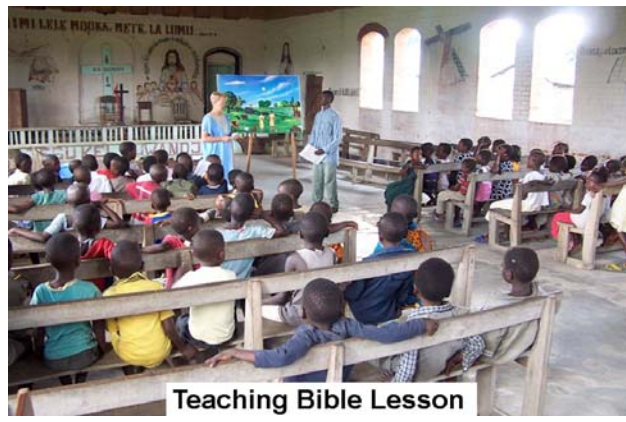

Blessings,  
Marty and Paul
